

Welcome to the December 2010 "Albany Gardener"

The Albany Gardens team thank you for choosing to stay with us during your visit to Albany in 2010!

With the festive season upon us, we wish you all a very safe and fun-filled Christmas and start to the New Year.

If you are thinking of visiting Albany over summer, there is a lot going on around town but accommodation and site booking are filling fast so *book now!*

What's on in Albany!?

Why not finish off 2010 with a bang with the City of Albany's New Years Eve Family Concert. Live entertainment from 6pm, food and market stalls and lots of fun for the kids. Then at midnight, the Fireworks Spectacular lights up the foreshore skies.

If you can't make NYE, then perhaps Whale World's 30th Anniversary activities through January, the annual Vintage Blues Music Festival on 8th January, or the Australia Day Family Fun Day & Fireworks Spectacular might be more to your taste?

Visit www.albanytourist.com.au for full details on these events and much more!

Albany Summer School

What better way to start the new year than with some new skills!?

St Joseph's College, plays host to a range of summer school courses for the two weeks from Monday 3rd - Friday 14th January, 2011.

Courses are available for all ages, from retirees, over 50's and home makers to pre-teens, in fine arts, crafts, music, drama, writing, local environment, cooking, gardens, hobby activities and personal development.

So why not visit Albany and enrol for up to two weeks of enlightenment, interest and fun!

Albany Gardens Supporting Cancer Council's 'Relay for Life'

The team would like to thank all guests, visitors, Park residents and staff for their support of the recent Sunday roast and Garage Sale in support of the Cancer Council's 'Relay for Life'.

As part of our ongoing work to support local charities, a Sunday dinner welcoming the Caravan & Motorhome On Tour film crew raised \$450, whilst November's Garage Sale raised an awesome \$1,489!

Cancer Council's *Relay For Life* is more than just a fundraiser. It is an opportunity to get together with your community and **celebrate** cancer survivors, **remember** loved ones lost to cancer, and **fight back** against a disease that takes too much.
